### D. Commentary

The 5pm ministerial media briefing was led by the Prime Minister, Boris Johnson, who explained that he believed the country was now ready to move to step 2 of the government's recovery plan, which includes a phased reopening of schools. He announced that it is the government's intention to go ahead with this on Monday, 1<sup>st</sup> June 2020. Year 1 and Year 6 in primary schools will be the first to reopen. The Prime Minister acknowledged that not all schools may be in a position to reopen, but those that can, should.

A [planning guide](#) for providers of education in early years and childcare setting has been issued to help with putting in place protective measures.

The Prime Minister acknowledged that full social distancing may not be possible when teaching young children, although the protective measures will help reduce the risk of infection, including:

- Reducing the size of classes and keeping children in small groups without mixing with others;
- Staggered break and lunch times, as well as drop-offs and pick-ups;
- Increasing the frequency of cleaning, reducing the number of shared items and utilising outdoor spaces.

All children and staff, plus their families, will have access to testing if they display COVID-19 symptoms.

The Prime Minister explained that it is still the intention for secondary schools to provide ‘some contact’ for Year 10 and Year 12 students from Monday 15<sup>th</sup> June 2020.

Local authorities in England will be able to apply for additional funding to help reopen their high streets. Councils can apply to the [Reopening High Streets Safely Fund](#) for financial support from 1<sup>st</sup> June 2020.
